Plants vs Zombies: Garden Warfare 2 is a sandbox shooter video game, developed by PopCap and published by Electronic Arts. It was released worldwide on October 19, 2016, for Microsoft Windows, PlayStation 4, and Xbox One. The game takes place in

Garden Warfare 2, a sandbox-style, new game world for the Plants vs. Zombies series. The game features a story driven campaign, played from a third-person perspective, and local co-op support. Garden Warfare 2 also introduces Garden Ops, a new game mode which sees two teams of zombie and plants compete to defeat the other using a variety of weapons and skills, as well as special plants, and items obtained from the campaign. Also, the game features four different, playable classes of plant characters. These classes include, the Grubber, Plant Food, Sunflower, and Brain Berries. Garden Warfare 2 is the third entry in the Plants vs. Zombies series. plants vs zombies free download full version pc windows 8 What they do is to eat the fruits.

Players must clear out all of the zombies to collect these fruits. Another type of weapon, Sunflower Suns, are used to neutralize zombies. They can also be purchased from the shop. And they can be purchased in two ways; either buy it outright or have it be earned in story progression. Before starting the game, players can choose to create a loadout and load it into their character.

There are 12 loadouts that can be purchased. The game contains an online multiplayer mode with a set of eight maps and over 40 weapons. There are also eight classes of plant, and they can be mixed to create an unlimited number of classes, and each class is unlocked at the same time. The player is given a seed at the beginning of the game, which grows to a certain plant. Different plants can be fed, with certain types of plant being able to have different effects. Each class of plant has a set of abilities and a combination of plant types can be used to create a new class. One of the most significant changes from the previous installment is that the game is designed as a cross-platform game. While it is available for Windows, Mac, Xbox One, and PlayStation 4, the game is natively playable on all these systems. A major component of the game is the story mode, which is an eight-part campaign. Players travel through various locations and are faced with many challenges. The game features three different types of missions, casual play,
