a leading games publisher and development studio, today announced that Isaac  
Maclean, best known as the composer of Skyrim, has joined the team to work on a new  
project. Maclean's music can be found in games such as Assassin's Creed and The  
Elder Scrolls series. "Nordic Games is a real home for me, as it's the most amazing  
place to work. There are incredible people here who are incredibly passionate about  
their work, and there's a great passion for games and their music in the company. It's a  
perfect fit," Maclean said. "This is the first time I've worked with a French team. I've  
been so impressed by the work they've been doing, and I'm excited about what we'll be  
able to accomplish together." About Isaac Maclean Isaac MacLean is a Swedish  
composer and musician working for 22 years in game development. His first and

Tiberius (14–37 CE) was one of the first and greatest rulers of the Roman Empire. With Tiberius, the empire entered a period of political crisis. The time between the death of Augustus and the accession of Tiberius is known as the Julio-Claudian period. It was also a time when the bulk of Tiberius' power was concentrated in the hands of his wife Livia.
