Supervillains are evil individuals who engage in illegal and sometimes unethical activities on a grand scale. Supervillains enjoy committing crimes, and their motivations vary. Supervillains may have self-interest, a vendetta against a superhero or the city, a desire to make a business or money, or even a desire to do good in the world. A supervillain may work for a larger criminal organization, a government, a corporation, or another supervillain. Many superheroes are killed or captured by their foes, while others escape, but most do not survive. Supervillains usually have no common motive or organization, but instead often do whatever crime seems best suited to their personality
