
Video Copilot Metropolitan Pack Free Download Mega

High-quality video tutorials on After Effects for motion graphics and visual effects, presented by Andrew Kramer. The author demonstrates the basics of After Effects, the video shows how to use Adobe After Effects to create videos with animated visual effects, to create transitions between scenes, and to create dynamic visual effects. Animated effects created in After Effects can be seen in movie trailers, commercials, and music videos. After Effects is a professional program for creating dynamic special effects, visualization, and animation.
