Commentaire de ptas7000 I thought they would of posted the theme by now. But I'm fine with Theme of the Year.

Commentaire de ForryJoker on 2014-12-11T16:57:07-06:00 THAT MUSIC!!! On a picture loaded from Facebook! I'm downloading 5 hours ago! Free download here ... Commentaire de Shadowmantis on 2014-12-11T17:20:13-06:00 I guess I should be happy that I wasn't the unlucky one this time who voted for a band name that the staff chose but they said it was some other name and then listed this name here and that's cool. Commentaire de Randay on 2014-12-11T17:22:31-06:00 I vote both of these things for two separate themes: - "Theme of the Year" - "Pirate Holiday" Commentaire de Ayuzu on 2014-12-11T17:24:59-06:00 I wanted to watch the video because it had "Terminator 2:" Judgment Day" in the title, and I was impressed with a few things--the "gritty, no-holds-barred" way in which they were trying to get business and whatnot, and the sight of meerkats running around, barking and howling. But when the video opened, the audio had come out. I'm guessing the video was blank. This is why it's important to upload your vids, have them tested in a video player on a known page, and to have the official title of the movie. Commentaire de xaineshallards on 2014-12-11T17:56:30-06:00 Theme of the Year is okay But Pirate Holiday should be used in October Commentaire de LeighTwelve on 2014-12-11T18:10:12-06:00 Museum he goes to new places all the time :3 And he's usually off on this and that :p Commentaire de AlexiK on 2014-12-11T18:36:36-06:00 Museum he goes to new places all the time :3 And he's usually off on this and 570a42141b
